### About My Trip

Hello, my name is Naomi Spinosa, a student at The University of Valley Forge. The school's mission is to prepare individuals for a life of service and leadership in the church and in the world. In order to fulfill the part of the "in the world" statement, students from UVF participate in short-term mission trips around the country and around the world. Personally, I have felt a call on my heart towards missions since high school. After starting at the University of Valley Forge, God impressed on my heart to join the team going to East Africa in June. In East Africa we will be showing them the love, compassion, and salvation found in Christ. Please pray for our team as we are preparing for this trip and please consider in prayer financially supporting this short-term mission's trip.

Because of Jesus,  
Naomi Spinosa
